

Certificate of Entry (COE) Registration Guideline for Non-Thai Nationals

Announcement

This registration is the application of Certificate of Entry (COE) only. The system is not related to visa application. If you have yet to receive a valid Thai visa, please contact Royal Thai Embassy or Royal Thai Consulate-General in your area for visa application at least 7 – 15 working days before the expected date of travel. For more inquiries, please visit official website of Royal Thai Embassy or Royal Thai Consulate-General where you intend to apply.

Before registration, applicants should prepare files of required documents in .pdf or .jpeg version to upload to the system. The list of required documents for each category of eligible persons* can be found in the next section.

The registration will be divided into 2 parts as follows:

(1) Pre-approval:

- Applicants fill in personal information and upload required documents into the system to prove eligibility to enter Thailand.

Thai visa

- If you have a valid Thai visa, you are recommended to upload it into the system.
- If you have yet to receive a valid Thai visa, please contact Royal Thai Embassy or Royal Thai Consulate-General for visa application. However, you can also apply for the COE prior obtaining a visa, but you may be requested to upload a valid Thai visa before COE issuance.

Medical insurance (including medical costs in the event that applicant contracts COVID-19, which must cover the total duration of stay in Thailand)

- If you have a medical insurance, you should upload it into the system.
 - If you do not have a medical insurance yet, you can upload it later, together with the plane ticket and the Alternative State Quarantine (ASQ) booking confirmation.
 - To facilitate foreigners travelling to Thailand, Thai General Insurance Association (TGIA) and Thai Life Assurance Association (TLAA) are cooperating with Thailand's 16 leading life and non-life insurance companies under the regulation of the Office of Insurance Commission (OIC) to offer COVID-19 Insurance Protection Program which its terms and conditions are covering requirement of Thai government. For more inquiries, please visit <http://covid19.tgia.org>.
- After the submission of their applications, the applicants will be given a 6-digit reference code. The code will be used to track your registration status and to download the COE.
- Royal Thai Embassy and Royal Thai Consulate-General will pre-approve your application within 3 working days.
- The applicants are able to edit your information at “Edit information” and track your registration status at “Check the result”.

(2) Issuance of COE:

- After your application has been pre-approved, the applicants should buy air ticket and book ASQ. For more ASQ information, please visit www.hsscovid.com.
- Go to “Confirm trip” menu and provide your flight detail, plane ticket, ASQ booking confirmation on your arrival date, and medical insurance (if the applicants have not provided it in pre-approved stage) and upload the above-mentioned documents into the system within 15 days after your application has been pre-approved.
- If you do not submit the required documents within 15 days, the system will automatically delete your application, which you have to start the application process over again.
- Royal Thai Embassy and Royal Thai Consulate-General will issue a COE within 3 working days after the applicants have submitted travel information.
- The applicants can check your registration status at “Check the result” menu. If your COE is granted, you can download the COE directly from the registration website.

For more inquiries, please read COE Registration Guideline at coethailand.mfa.go.th or contact Royal Thai Embassy and Royal Thai Consulate-General near you.

After COE issuance, please ensure that you have the following documents to present at the check-in counter and to the Department of Disease Control’s Representatives upon arrival into Thailand.

- (1) Passport
 - (2) Certificate of Entry (COE)
 - (3) Fit to Fly Health Certificate. (Thailand’s Health Control required a hard copy version.)
